ST. THOMAS' PARISH NOTES

School opens September 6th. We trust all of our people will send their children to a Catholic School here or elsewhere. Every Catholic child has a sacred right to a Catholic education and this sacred duty is binding on their parents. Conscience demands its fulfillment. Only the bishop can dispense parents from this obligation, so the law of the Church runs.

Closely connected with this duty is the other to support the Catholic school and its fulfillment distinguishes the real from the nominal Catholic. Catholic schools are not infallible means of salvation, but they introduce the child to Christ and Christ to the child. Don't deprive your child of this hallowed union of friendship.

Rev. Father George Hynes was transferred to Fresno, California.

Very Rev. Henry Shutten spent a week with us on his return from Helena, Montana, where he attended the installation of Rt. Rev. Bishop Finnigan. Rev. Charles Maddox of this parish was also present at the same ceremony.

The candelabra have been repaired and a new one installed at the shrine of our Lady of Perpetual Help. The little lights keep vigil for you and are the symbols of a small sacrifice.

New envelopes were distributed to take effect the first Sunday in September. The organ fund, the school fund and the cemetery maintenance fund are abolished and all effort will be concentrated on paying off the church debt, which is \$13,500.00.

The debt has hung over the church for some years. Let us make a generous effort to lift it. No new improvements of a notable nature will be made in the church till the debt is cancelled. We sincerely hope every wage earner will apply for a pack of envelopes and do what his or her conscience prompts as their duty to God, their church and their neighborly share of the parochial load. Give to God and note how it will come back to you, if you have faith in Him.

The children, also, will receive envelopes as to the customs everywhere in this country to help pay the Sister's salary which is now quite a burden on the slender resources of the parish. They have five or ten cents for other things; teach them to make a little sacrifice to God and His Church.

Rev. Thomas Moore of Portland, Oregon, has been stationed as a missionary in the Redemptorist Mission house in Heppner, Oregon.

We had some distinguished callers at the rectory, August 21st, in the person of His Excellency the Most Reverend Pietro Fumasoni Biondi, D. D. Apostolic Delegate from Washington, D. C. In his party were, also, his secretary, Father Daly, Bishop White of Spokane, and his secretary, Father W. J. Condon. Their visit included supper with the Redemptorist Community and visit with the Sisters afterwards.

Father McElligott, pastor of Post Falls, bade us farewell as he leaves to take up his duties at Caldwell, Idaho. Rev. Henry Becker, C. SS. R. will begin a mission in Post Falls, Idaho, September 4th.

WHY A CHILD SHOULD HAVE A CHRISTIAN EDUCATION

"Education" is the word which stands out
