New Principal Comes To IHM

Sister M. Nadine, IHM, has come to IHM High School to serve as principal. She succeeds Sister M. Avellina, IHM, who had been principal for the last six years.

Sister Nadine's assignment brought her to Coeur d'Alene from Mother of Mercy High School Washington, N. C., where she was principal for the last five years. She taught English, Latin, and social studies previously at St. Mary's High School, Avoca, Pa., and Cathedral High School, Scranton, Pa.

Sister Nadine has been teaching 25 years, after receiving her Bachelor's degree at Marywood College, Scranton, and her Master's degree at Villanova University, Villanova, Pa.

Sister Nadine Gives First Public Talk to Students

Sister M. Nadine, IHM's new principal, made her first public talk to the assembled girls and boys separately on Sept. 6 in the Activity Room.

Congratulating the school for its friendliness, school spirit, and fine athletic record, Sister also expressed a desire for the improvement of the scholastic rating.

Various rules and regulations were introduced or re-emphasized on such topics as hair, uniforms, and conduct in the halls. "School is big business," said Sister, "and we're in it for profit."

Senior Press Club Members Decide Staff of Le Coeur

The senior members of the Press Club held a meeting Tuesday, Sept. 19, to decide co-editors and the staff of the 1968 Le Coeur. Co-editors are Ginny Bowser and Sally McMurray.

Mike Gray is Sports editor. Ed Mihelich, Pat Gray, and Mike Gray are on the soliciting committee and Mary McFarland is in charge of subscriptions.

This year, the price of the Le Coeur will be \$3.00 if paid by Oct. 15. The price will then go up to \$3.50 until Nov. 15. If annuals are not paid for by Nov. 15, the price will be \$4.00. Subscriptions must be paid in full by Dec. 1.

Eight New Students Enroll As Members of Student Body

IHM enrolled eight new students this fall. The new arrivals include three juniors and five sophomores.

New juniors are: Jeff Norton from Cusick high school, Usk, Wash., who has earned several letters in sports. George Peters, Sparks high school, Sparks, Nev., was a member of the school bowling league. Linda Buddrius spent the past two years at Lakeland high school, Lakeland, Ida.

New sophomores include Cindy Isaacson from Saint Joseph's Academy, Des Moines, Iowa, who participated in several clubs. Fred Kowalski, Kubaske junior high, Okinawa, was active in sports--especially track. Art Webb is from Huntington Beach high school, Huntington Beach, Calif. Bob Dey comes from Sandpoint high school, Sandpoint, Ida. Ray Merrick formerly attended Coeur d'Alene junior high school.

Students Aim - "Soar Higher"

Whenever one finds that a change is being made that affects himself, the natural feeling is one of apprehension. Few people openly welcome the unknown. At IHM, we have been introduced to a change that affects every student--and that change is our new principal, Sister M. Nadine.

Sister Nadine has expressed her main aim as to uphold our school's standards--"to keep IHM on top and to make it soar even higher" academically as well as athletically. She describes IHM as having wonderful potential and tremendous spirit, and its students as showing outstanding friendliness, loyalty, and cooperation.

One of the means that Sister offers in helping our school "soar higher" is that the students "take advantage of the spiritual, educational, and cultural advantages offered at IHM." She suggests that we use our time wisely to develop a general improvement in our study habits. One of her wishes is that each student set an "educational goal" for himself and, rather than studying aimlessly, set out to achieve that goal.

We can see, then, that Sister's only regard is for our own welfare; her suggestions are for our benefit. So why not take these basic suggestions, add a few of your own, and help IHM "soar higher"?

Faculty Welcomes Two Teachers

The school year opened with the addition of two new teachers to the faculty of IHM. Mrs. Sylvia Singer teaches English classes and Mr. Charles Chariton teaches geometry and general science.

Mrs. Singer majored in Musicology at Berkeley University. Before coming to IHM she taught at Lakeland High School. Mrs. Singer now teaches four English classes, advises a sophomore homeroom, and coaches debate.

Mr. Chariton previously taught at Coeur d'Alene High School. He instructs two classes of general science and one geometry class.

Parish Holds Forty Hours

Forty Hours Devotion is forty hours of continuous prayer to the exposed Blessed Sacrament.

It opened at St. Thomas church with a solemn procession and exposition at the 10:30 Mass on Sept. 24, and continued until the evening Mother of Perpetual Help services, Sept. 26.

The Rev. Michael Nolan who conducted services spoke Sunday, Monday, and Tuesday nights on the Mystery of the Holy Eucharist.

The purpose of Forty Hours is to make reparation for sins and to gain special graces from Christ while giving honor to the Blessed Sacrament.

The practice of Forty Hours devotion began in Milan in 1537. It has spread rapidly to many parts of the globe.

Honor Society Elects Officers

The IHM National Honor Society held election of officers Tuesday, Sept. 26. President is Edward Mihelich; vice-president, Ronald Douglas; secretary, Joanne Brueggeman; and treasurer, Donna Anderson.

This year, the Honor Society will take charge of Catholic Youth Week, Oct. 29 to Nov. 4 in the school. After attending Sunday Mass in a body, students will crown the statue of Christ the King.

Sister Beatrice, senior homeroom teacher, is moderator.

World Scout Jamboree Attracts Local People

At Farragut State Park, Idaho, USA, on Aug. 1, 1967, 13,000 boy scouts began a 9-day world-wide "happening." 100 nations were represented at the 12th World Scout Jamboree, the first to be held in the United States.

The opening ceremonies were marked by the passing of the Friendship Torch which has been kept a-flame since the last Jamboree at Marathon Greece in 1963. This, together with an impressive display of fireworks, started something really big.

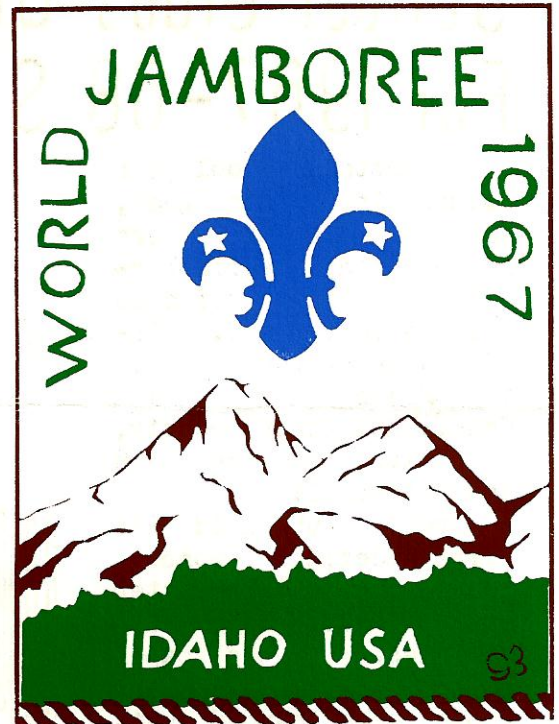

It was a once in a lifetime experience for not only the scouts, but also for the tens of thousands of visitors who took this opportunity to meet with boys of all nationalities and cultures.

On Thursday, Saturday, and Tuesday there was the added attraction of a Skill-o-Rama. Some of the boys had prepared displays and demonstrations that represented their particular areas. These ranged from a Moorish stick dance, performed by some scouts from Buckinghamshire, England, to demonstrations on how to make apple-fritters.

The slogan "for friendship" was evident throughout the jamboree.

In the closing ceremony on Wednesday the boys presented an especially entertaining program. Included were performances by scouts representing each of the previous World Jamborees. Also, Lady Baden-Powell, wife of the founder of the Boy Scout movement, spoke commending the Jamboree and its ideals and encouraging future efforts.

The 12th World Scout Jamboree ended with the 13,000 scouts' mass recitation of the Scout Oath in the various languages.

Cheerleaders Hold Victory Dance

A victory dance was sponsored by the varsity cheerleaders Saturday, Sept. 23, following the Panthers' first home game.

The walls of the gym were decorated with huge posters for the crazy-sock-hop and a black panther head was set in the middle of the stage.

Winners of the crazy sock contest were: best boy's socks--Pat Carper; best girl's socks--Debbie Castellan. Sherril Peterson won a package of dye for drabbest socks. Paul Gebhart won a bar of soap for smelliest boy's socks; and Mary Bauman won three bottles of perfume for the smelliest girl's socks.

Varsity Cheerleaders From IHM in Fourth of July Parade

IHM's five varsity cheerleaders, Mary McFarland, Pat Miles, Colleen Baker, Sue Galles, and Julie Solomon, represented the IHM High School this summer in Coeur d'Alene's annual Fourth of July parade.

The cheerleaders preceded Coach Boyle's car which carried the A-3 State, District Basketball, and Intermountain League trophies. They did selected cheers and routines down Sherman Ave. from 16th street to Government Way.

The school mascot, the black panther, rode on the front of the car, which carried signs in recognition of the state basketball championship that was won last year.

Anne Erickson and Ruth Harrington, two JV cheerleaders, carried the school banner.

School Clubs Organize For 1967-68 School Year

As another school year swings into high gear, the many clubs of IHM are reorganizing their membership and electing officers for the year ahead. Included among these clubs are Press Club, Drill Team, PEMM, Honor Society, 70's Club, and the Math and Science Club.

Press Club held its first meeting Monday, Sept. 11, with Sister Mariel moderating. The next issue of the paper was discussed and assignments were handed out. Mary McFarland, editor of the Laurel, was elected Student Council Representative.

Drill Team has been practicing long hours under the direction of Mrs. Ann Miles and the leadership of Dona Knight. The team performed at the first home game and hopes to perform at homecoming. Connie Chase is president, Jane McFarland representative, and Judy Jacobson secretary-treasurer.

PEMM has had several Monday night meetings. Colleen Baker, Dona Knight, Maureen McCammon, and Cheryl Coleman were elected to the offices of president, vice-president, secretary-treasurer, and representative respectively. Mrs. Miles is moderator. The girls are cleaning the locker rooms as one of their activities.

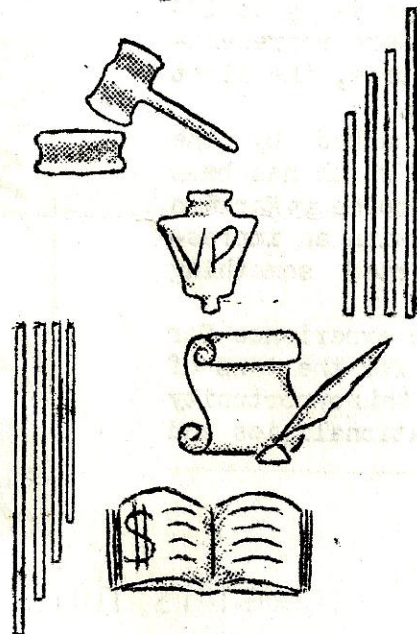

The 70's Club will again try to promote school spirit this year. Officers are Bruce Koester, president and representative; Terry Johnston, vice-president; M. J. Huetter, secretary; and John McFarland, treasurer. Mr. Boyle is moderator.

Sodality met Thursday, Sept. 14, with moderator Sister Philip Neri. Officers are Dona Knight, president and Sally McMurray, secretary-treasurer. Joanne Brueggeman is Student Council representative.

Letterman's Club held its Friday noon meeting Sept. 22 in the Activity Room with Mr. Boyle as moderator. Mike Gray is President.

Glee Club met Friday morning, Sept. 15 when the first practice was held. Glee Club is under the direction of Sister M. Alphonsa.

The new Math and Science Club, moderated by Sister Beatrice, met Sept. 19 and will continue to meet every other Tuesday, alternating with Honor Society.

Devotion To Mary Is Theme of Talk

Brother Francis K. Schuckardt, representing the Blue Army, spoke to the senior class Sept. 8. The Blue Army is an organization dedicated to increasing devotion to the Blessed Virgin Mary.

Mentioning a few of the objections Protestant religions have voiced in venerating Mary, Brother Schuckardt gave three reasons why we show this devotion. He said that the most important reasons are: (1) God wills it, (2) Mary is our Queen and Mother (given to us by God), (3) It is reasonable that Mary is deserving of our devotion because she is God's Mother.

A brief explanation of Mary's privileges such as her Immaculate Conception and her role as Co-redemptrix were outlined. Brother Schuckardt told of Mary's importance in the world today. He quoted Pope Paul VI saying "Mary is always the path to Christ."

Terry Johnston Attends Camp

Terry Johnston, IHM sophomore, spent the week of July 16 this summer at Camp Conifer, Snoqualmie Pass, Wash.

The boys at Camp Conifer studied the fundamentals of basketball in preparation for a week of hard training. They were divided into leagues consisting of about 50 boys each. Terry's team took second place in his division.

Panthers Gnow
Spartans 41-7

The IHM Panthers rolled to a 41-7 victory over the Priest River Spartans for their second win of the year and 24th game in a row without defeat.

The Panthers struck early in the passing of Tom McFarland as the veteran Pilot tossed scoring aerials to Mike and Pat Gray. With the conversion of a single extra point, the Panthers left the field at halftime with a 13-0 lead.

The third quarter saw a fiery band of Panthers score three additional touchdowns as the Grays sprinted through numerous holes opened by the potent Panther line.

Priest River got on the scoreboard in the final period on an end sweep by their left halfback to raise the score to 34 to 7. On the following kick-off however, Pat Gray snagged the ball, picked up some crushing blocks, and scampered 80 yards to cap off the Panther scoring and hand the Spartans a 41-7 defeat.

Panther Kittens Rally For Pair

The IHM Panther junior varsity won games from both Bonners Ferry and Priest River by margins of two points. The first against Bonners stood as an 8 to 6 final and the second a 2 to 0 spread over Priest River.

Wally Matson scored the only touchdown this year for the Panther JV's but it was two safeties that spelled victory in both games. In the first at Bonners Ferry Rudy Marmon caught the Badger quarterback behind the goal line as did Pat King in the Priest River encounter.

Panther Sports

Locker Room Chatter

by Ed Mihelich

Welcome, avid readers, to a fabulous new year of Panther sports. Thus far three blazing victories by the fired-up home squad have extended the three year record of undefeated play to 25 games. In fact, in four grid seasons, Coach Boyle's troopers have suffered but two defeats at the hands of their opponents.

Currently, the Panther picture has taken on a new dimension. The beginnings of a JV team that sprouted last year have blossomed into a thriving squad of freshman and sophomores. Unlike last year, Coach Boyle has run the youngsters through their drills entirely separated from the varsity, thus producing a more coherent and smooth-operating squad. As a result, their two encounters with foreign turf-grinders have resulted in a pair of close victories.

The varsity, which now consists of some 25 odd men, has been terrorizing their opponents this year amassing 144 points in three games and giving up only seven to their foes. From my somewhat unwanted vantage point on the Panther bench I have keenly observed some strong line play and flashy backfield running. The off-the-field scene of the practice turf, however, has been the ingot from which pours the Panthers' weekend thrusts. Basing his resolutions on this conviction, Coach Boyle has strong hopes of continuing the "Panther trend."

IHM Torpedoes Bonners Ferry

IHM rambled through its 25th straight game undefeated by smashing Bonners Ferry 39-0. The Panthers ran this seasons mark to 3-0 and remain in a tie for first place in the Intermountain League with Lakeland at 2-0.

Boyle's bombers started fast with 20 points in the first period on a 60 yard punt return by Pat Gray and two 15 yard rushes by Mike Gray. Chris Jacobson's extra point kicks were good on two of three tries. The second quarter slowed slightly to 12 points with Bob Elgee taking a bomb from the wing of Tom McFarland for one TD and Mike Gray on a short rush for the other. The third quarter saw the Panther reserves scoring the sixth and final TD of the evening as Don Shannon bulled in from the one.

The Panther defense was superb as it held off all Badger threats and come up with two interceptions.

IHM Burns Potlatch 34-0

The 1967 edition of the IHM High School Panthers football team made its debut against the Potlatch Loggers and it did it up proud as it avenged a 6-6 tie of the last season by shelling the Loggers 34-0. The passing of Tom McFarland and the running of Pat Gray led Gene Boyle's charges through this 23rd straight game without defeat.

Pat Gray, the Panther's 135 pound scatback, gained 350 yards and scored four touchdowns while Paul Gebhart scored the remaining touchdown on a pass from signal caller Tom McFarland.

"They looked good in some spots and bad in others" was Coach Boyle's remark after the game.

Panthers Gnaw Spartans 41-7

Significant news from the summer shines a spotlight on Paul Fromm. A letter from the Chicago newspaper, "New World," announced him as a pick on the seventh team All-Catholic All-American basketball team.

Fromm, one of the five juniors on the 40-man team, was also congratulated by Boston College.

IHM Students Attend SSCA

IHM students who attended the annual Summer School of the Christian Apostolate (SSCA) were Dave Yeager, Robert Blessing, Joyce Ohnemus, and Donagene Knight. This summer's session, June 27 through July 1, was held on Gonzaga University campus.

The faculty was drawn from the U.S., Europe, and Asia. Courses ranged from the philosophy of Father Cavanaugh and "How to Have Fun" to Sodality's role in urban problems.

Evening activities included two dances, a talent show, a barbecue and an "Up With People Sing Along."

Senior Attends Honor Program

Ed Mihelich, senior, was selected last year to attend the Summer Honors Program at Idaho State University, Pocatello, June 12 to Aug. 4. Twenty seniors participated in the course.

Mihelich took English composition and a seminar with the other students and chose Probability as his elective.

He received seven college credits which will be acceptable at most colleges in the nation.

Mihelich described the Probability course as "geared for inquiring minds--for those who wish to probe the limitless pursuits of their own curiosities."

Students Elect Class Officers Michelich Leads Senior Class

Senior class elections were held Sept. 7, to choose officers for the 1967-68 school year. Results of the elections were: Ed Mihelich, president; Chris Jacobson vice-president; Donna Andersen, secretary; Pat Miles, treasurer. The two representatives to Student Council chosen were Sue Ransom and Mike Gray.

Members of the junior class chose their officers the week of Sept. 11-15. Those elected were Jerry Mason, president; Ron Douglas, vice-president; Laura Gebhart, secretary; Don Shannon, treasurer; and Jim Dolan, representative.

Sophomore class officers are Wally Matson, president; Jane McFarland, vice-president; Mimi Andersen, secretary; John McFarland, treasurer; and Terry Johnston and Melanie Koontz, representatives.

Those elected in the freshman class were Tom Mihelich, president; Bill Boughton, vice-president; Joan Harrington, secretary; and Steve Weber, treasurer. Student Council representatives are Larry Jaeger and Joseph Wachsmuth.

Former IHM Graduate Speaks To Girls About Technology

Mary Margaret Baker, a member of the IHM graduating class of 1965, spoke to the sophomore, junior, and senior girls Tuesday, Sept. 12, in the senior classroom.

Miss Baker told the girls about her studies in X-ray Technology and Medical Records. She explained that only two years schooling was required in most cases for both fields.

Miss Baker told the girls that there are many jobs open to women with this kind of training.

Explorer Scouts Perform At Chicago Elks Convention

Twenty-two Explorer scouts from the Coeur d'Alene area were invited by the Elks Club to sing at their convention this summer in Chicago.

Sister Ahonsa and Mrs. Hawkins assisted the scouts before they left by helping them rehearse their program.

The Scouts left Coeur d'Alene July 13 by train and stayed at the Conrad-Hilton Hotel for four days before returning home.
