To win this award a student must submit personal qualifications, letters of recommendation and all achievements centered on leadership.

APRIL RETREAT APPROACHES

Our annual retreat will be given by Father Woodruff on April 1, 2, and 3.

Retreat means to withdraw from the busy everyday schedule of the world and live closer to Christ and His way of life.

A retreat is a time for meditation and self-examination. Under the guidance of the retreat master, a renewed zeal and a higher standard of life can be attained.

Upperclassmen Rate Awards

Two Academy students, Rosalie Boughton and Kent Hultner rated first and second respectively in the essay contest which was sponsored by the Governor's Committee on employment of the physically handicapped.

Those essays were judged best in the Kootenai district and will now be submitted for state competition.

The title of this year's essay was "Employment of the Handicapped, a community responsibility."

Last year the honor of being first in the Kootenai district, also came to Rosemary Macy.

POPE PIUS XII

March 2 will mark the eighty-first birthday of our Sovereign Pontiff and on March 12, His Holiness will have completed his eighteenth year as temporal head of the Catholic Church.

In 1939 Cardinal Pacelli was raised to his supreme office as Pius XII, and since that time has earned such titles as Our Lady's Pope and Pope of Peace.

His first encyclical in 1939 condemned Nazism as anti-religious.

Pius XII proclaimed the first dogma of the Church in 80 years, the dogma of the Assumption.

CATHOLIC PRESS NEEDS YOU

February has been set aside as Catholic Press Month. For many years the propagation of catholic literature has been left only to those who are concerned with the editing of this literature. The Catholic Press needs you-you the subscriber, the reader, and the contributor.

Without your subscription to catholic newspapers, magazines, and other literature, the press cannot continue it's work. It must have financial support.

The Catholic Press needs you as a reader. It must have an avid reading public if its strength of words is to be felt. You, as a reader, can obtain the information needed to defend the Church and its teachings. As a reader you become well-informed enough on the Catholic views of national and foreign affairs, moral points and general discussions to speak out against the lies and slanders which fill so much of American literature today. As a reader you yourself become a better Catholic.

You, the contributor, can let editors know where they are missing the point. You can write letters praising or condemning their articles. How else can the writer know if his article is reaching the public eye? As a contributor you can help correct errors, write small items, and informative articles.

The Catholic Press needs you! Subscribe, read, contribute and above all pray for its propagation.

LENT

Lent if just hours away!! Have you made your plans for spending it in the right spirit? Since we are children of Eve we are all tainted with the blights of original sin. And wise Holy Mother Church has given us this time to strengthen our spiritual forces for the battles that are to come.

Since we, as high school students, are not bound to fast we must enter into this season of penance with a firm resolution to perform some act to expiate for past sin.

It is not a time of

sadness-but of joy-for we are perparing for the glorious resurrection of Chirst now and our eternal resurrection in heaven hereafter.

Smell Those Goodies

Did you smell those delicious aromas coming from the Freshman classroom on February 12? They came forth from the new Tappan electronic oven, demonstrated by Miss Jenet McNair, a representative of the Washington Water Power Company.

The students watched a cake rise before their eyes and bake in three minutes. A potato was placed in the oven, and during a four minute explanation given by Miss McNair on the source of the energy, the potato was fully baked. The interested spectators were treated to samples of hot dogs, rosted in 20 sec. and bacon in 90 sec.

This oven would sell for \$1200 dollars now, but the manufactures believe that by 1962, the oven will be perfected enough so that it will be in the average home.

ATTENTION

The American Legion essays for the annual contest are due March 15. All outlines must be handed in on March 1.

BUCKETBALL REVIEW

The Academy basketball season opened December 7, 1958, in which we lost our first game with Spirit Lake. This was a blow to all of us, but after playing and winning a few more games, the team, coach and faithful rooting section knew we would have a more successful season.

Traveling back and forth, in rain and snow, we took our share of wins and losses, ending with a total of 13 wins and 7 losses.

In the second semester a much needed player, Clint Brown, came on the scene. Clint added height to our Academy squad.

Our faithful manager, Art Jaeger, proved his basketball ability and flexibility by suiting up for the Kootenai Hi game and finally playing in the Cottonwood game, the best game of the season..

Among the injuries of the season, Sherman Alexis hurt his ankle and Terry Kane is still on crutches from having had ligaments pulled in his left foot.

Among the varsity players who played their last high school game are: Gene Kryger, Tim and Terry Kane, Art Jaeger Jim McFarland, and Dick Batchelder.

But by looking over the J.V. record, the Panthers will have just as mighty a team next year.

ACADEMY SPORTS

TEAM PRESSES FORWARD

The I. H. M. Academy went out in front in the southern division of the B Conference on the strength of a 58-34 win here, Feb. 2 over Kootenai.

The Academy led at the quarter stops, 14-6, 26-18 and 38-32.

Terry Kane, center, did not play owing to sickness, while Gene Kryger was absent from the lineup during special A. F. studies.

Clint Brown scored high with 18.

I.H.M. jayvees won the preliminary.

Tim Kane Is High Point Man

Coeur d' Alene high school junior varsity led all the way to edge I.H.M. Academy 53-51 in a return contest at the C.H.S. gym Feb. 21. The Panthers had won the previous game.

I. H. M. missed Terry Kane who was out with a sprained ankle, from its regular lineup.

The C.H.S. Jayvees led at the first half with 29-20 and won over the Panthers at the end of the fourth quarter, 53-51.

Timmy Kane was high point man with 13 points.

In the preliminary the Academy junior varsity won 47-43 over the C.H.S. jayvees (second string).

Panthers End Season

Due to the exhausting trip and the extraordinarily small gym, the I. H. M. Panthers lost to first quarter, but gradually fell behind in the remaining quarters.

S.G.A. applied a fast pace that I. H. M. could not stop. Tim Kane played good offensive and defensive ball and was high for I.H.M. with 16 points. Also playing well were Sherman Alexis and Clint Brown. The half-time score was 33-28 in favor of S.G.A.

The I. H. M. J.V. team staged a terrific comeback in the third and fourth quarters, but lost 52-42 after being behind 25-8 at the half. Gary Thompson and Ron Scharff were high for I.H.M. with 18 and 15 respectively.

A look into the future for next year's basketball team seems pretty cheerful. Returning from this year's varsity will be; Juniors: D. Neilson 6-2, L. Anderson 6-0, and D. Kryger 5-8; Sophomores: C. Brown 6-1, G. Batchelder 6-0, S. Alexis 5-11. Coming up from the J. V. squad will probably be; Juniors: G. Thompson 5-9, D. Kom 5-9, R. Scharff 5-8 and R. Newby 5-8; Sophomores: D. Sonnichsen 6-2 and J. Andres 6-1.
